

# LAND PRESERVATION

## *For Future Generations*

**F** Each year thousands of acres of Civil War battlefield land across the United States is lost to development. Hallowed ground where so many gave their last full measure of devotion is forever destroyed and the price that they paid will be forgotten by generations to come.

At Wilson's Creek we have an opportunity to protect the historic setting and the beautiful views and vistas which make up the battlefield at Wilson's Creek. But that opportunity is quickly vanishing as more and more development creeps toward the park.

Please join us in preserving our American heritage by making a financial contribution to the Wilson's Creek Foundation Land Preservation Fund.

### *Tax Deduction*

When considering the amount of your gift, please keep in mind that your donations are tax deductible. Wilson's Creek National Battlefield Foundation is a 501 (c) (3) tax exempt corporation. Please consult your tax advisor for details. Consistent with National Park Service policy, not more than 20% of your gift will be used for fundraising and administrative costs.
